BEST WISHES CLASS OF 2024

IT NEVER GETS OLD. . . THIS WORKING ON THE SENIOR ISSUE OF THE NEWSPAPER AT THE BUSIEST TIME OF THE YEAR. THE SENIORS WHO SHOW UP TO MAKE SOMETHING SPECIAL FOR THEIR CLASS ARE UNSUNG HEROES WHO WORK DURING EIGHTH HOUR AND AFTER SCHOOL ASKING PEOPLE TO FILL OUT THEIR SURVEYS, TALLYING RESPONSES AND TRYING TO INCLUDE A LOT OF THEIR CLASS MEMBERS INTO OUR MEMORY PAPER, AN ISSUE TO KEEP AND TREASURE.

EVERY YEAR THEIR BIGGEST REGRET IS THE NUMBER OF SENIORS WHO DON'T RETURN THEIR SURVEY SHEETS. WE HAD AROUND 80-90 DO SO THIS YEAR, SO DON'T COMPLAIN ABOUT SEEING A LOT OF THE SAME NAMES IF YOU DIDN'T TURN IN YOUR PACKET.

SPECIAL THANKS TO MS. BAIN FOR GIVING US THE LIST OF COLLEGE CHOICES. MR. MASARIK READS OVER OUR PAGES SINCE HE KNOWS A LOT OF THE "INSIDE JOKES" THAT MIGHT OFFEND SOMEONE. (LET'S FACE IT, HIS IS A THANKLESS JOB MOST OF US WOULD NEVER WANT.)

MS. ELIZA CAMPBELL HAS BECOME OUR QUEEN OF LAYOUT AND SPENDS ENDLESS HOURS GOING THROUGH PICTURES, ORGANIZING PAGES, AND SHOCKING US WITH HER LAYOUT SKILL. WE ALL OWE HER A VERY BIG THANK YOU!

TO OUR SENIOR VOLUNTEERS, WE APPRECIATE YOUR EFFORTS IN GETTING THIS PAPER DONE. A SPECIAL THANK YOU TO AMANDA HOFACKER WHO SPENT THE MOST TIME OF ANYONE TABULATING RESULTS!

FINALLY, AS ADVISERS FOR WHO KNOWS HOW MANY YEARS, IT'S ALWAYS "NEW" TO SEE ANOTHER CLASS OF SENIORS EXIT NDA. YOU ARE A CLASS THAT KNOWS WHAT IT'S LIKE TO WIN—AND WE'RE TALKING ABOUT MORE THAN SPORTS VICTORIES. YOU STARTED NDA UNDER COVID-19 RESTRICTIONS AND HAVE GROWN INTO LEADERS WHO WILL BE OUR BUSINESS OWNERS, MEDICAL PERSONNEL, TEACHERS, AND PARENTS. WE LOOK FORWARD TO FOLLOWING YOUR ADVENTURES IN LIFE. AS ONE OF OUR OLD PRINCIPALS ALWAYS SAID, "DON'T FORGET WHO YOU ARE AND WHERE YOU COME FROM."

GO TRITONS!

MRS. THILLMAN & MRS. BROWN
ADVISERS, NDA TRITONIAN

20 Senior Farewell

DEAR SENIORS,

I WISH YOU THE BEST OF LUCK. I'M SURE THAT YOU REALLY ENJOYED YOUR TIME AT NDA. IT'S ALWAYS SAD WHEN IT'S TIME TO LEAVE, BUT IT WILL BE TIME FOR A NEW CHAPTER IN YOUR LIFE. IT MAY BE A LITTLE NERVE RACKING TO START COLLEGE, BUT I'M SURE YOU'LL MAKE NEW FRIENDS. EVEN THOUGH YOUR TIME AT NDA IS ALMOST UP, I'M SURE YOU'LL NEVER FORGET THE TIME YOU HAD AND THE FRIENDS YOU MADE. I HOPE YOU HAVE A WONDERFUL TIME AT COLLEGE AND YOUR FUTURE JOB.

SINCERELY,
ABBY ZENTMEYER '25

Dear Seniors 2024,

Thank you for everything. You have taught the rest of NDA what to do, or in some cases, what not to do. You have put yourself out there as role models for the underclassmen, and the people interested in their academics, athletics, faith, and everything in between. You've shown us how to look to God in every situation. You showed us how to excel in our academics. You have even shown us how to win many state championships. As you depart, your faith and your academic and athletic talent will leave a huge void that is going to be hard for us underclassmen to fill. We wish you nothing but the best as you graduate and move on to bigger and better things.

What I Learned Beyond Facts and Stats

I learned trigonometry and how to factor
I learned how to write an essay and spell words
I learned how to balance equations and write a lab report
All useful knowledge that we learn in school

What about the other things?
I learned how to be a good friend
I learned how to be a leader wherever I am
I learned it's okay to make mistakes
I learned to not give up on myself when things got hard
I learned to try new things and not care what people think
I learned to do what makes me happy and not what makes other people happy
I learned to show kindness to others even if they don't show it back
I learned it's okay to not be okay sometimes

This is what high school is
We learn more than just facts, literature, and equations
We learn so we can teach others who don't know

We learn what it means to be a Triton

— Maddy Rose '24

Goodbye, NDA

Lots has changed since Freshman year
We barely saw our faces that first year
Looking through a screen not meeting each other
Sophomore year came next for our class
No more masks helped us all pass
The year went smoothly as our first real year
In Junior year students wanted a challenge
Taking IB classes and praying for their grade point average
Only one more year to go until we go to college
Finally, we were seniors excited to be the best
Getting out a period because we were blessed
Now it's all over, no more years are left
We will look back on these years with joy
Goodbye NDA, we will miss you

-Matthias VanDuyse '24

Walking Down Four Years of Memory Lane

A final goodbye to the middle school years
Spoken behind a screen and a mask
We came into this new building
A schedule of green or blue
Every other day couldn't last
That year lost to fear and a bug
The next comes still layered with a mask
Yet it's closer to the normal once known
Our first school dances and football games
Before we knew it the page flips
And we found ourselves in our last half of high school
IB and the ACT arrive with college drawing near
The first prom arrives with bright colors
And our year closes with the final one in sight
With a blink senior year disappears
And our roads begin to split
But all still have roots built in those halls

The Experiences I'll Never Forget

The endless nights.
Music echoing off the commons walls.
A buzzer blares from the gym.
Another win for the girls basketball team.

Walking around the school.
Eyes half open.
Seeing a friend give a wave.
A smile warms a winter day.

The shrill rattle of a whistle.
The crunching of helmets meeting helmets.
The crowd gives a shout.
A built-in support system.

The goods.
The bads.
Everything in between.

A meeting place for friends.
A time to learn.
A place to go when searching for guidance.

We all have experiences.
Why shouldn't they last forever?
